

ATMA CENA is excited to offer a unique opportunity for independent contract therapists, looking to expand or start their practice in relation to the field of psychedelic medicine, while fully adhering to all legal and regulatory requirements. ATMA CENA clinics serve as innovative mental health centers that provide both traditional therapy services and legally compliant psychedelic-assisted therapy programs.

Therapists joining ATMA CENA can choose between two distinct streams:

1. **Private Practice within a Psychedelic Therapy Center:** Continue your existing counseling practice within a fully equipped clinic environment that offers comprehensive administrative support and access to legally permitted services, such as Ketamine Assisted Therapy, Psilocybin and MDMA Assisted Therapy through the SAP and rTMS.

New Office Spaces (windows and non-window) varying monthly rates. Free parking, and central location.

- Must be licensed or certified for independent clinical practice (provisional therapists welcome to apply).
 - Must maintain at least \$5,000,000 in professional liability insurance.
 - Attractive fee-sharing model.
 - Full-service clinic environment, including administrative support, internet access, booking and billing services, client management software, printing, and office supplies.
2. **Psychedelic-Assisted Therapy Training and Practice:** Gain specialized training to become a psychedelic-assisted therapist. Therapists in this stream will have the opportunity to receive discounted training in Psychedelic Assisted Therapy (PaT) and integrate these skills into their practice, in strict compliance with all legal guidelines.

These streams are ideal for skilled clinicians who thrive in a collaborative environment and are eager to expand their practice within the emerging field of psychedelic therapy, whether

they currently operate privately or work in public or agency settings and are interested in transitioning to private practice.

Available clinic locations:

- ATMA CENA Psychedelic Therapy Edmonton (limited spaces available)
- ATMA CENA Psychedelic Therapy Calgary
- ATMA CENA Psychedelic Therapy London
- ATMA CENA Psychedelic Therapy Vaughan (no spaces available)

JOB TITLE

Therapist (Independent Contractor)

QUALIFICATIONS

- Must be licensed or certified for independent clinical practice (provisional therapists are welcome).
- Experience in treating trauma and trauma and stressor related disorders (eg. EMDR, IFS, ART, Narrative, PE, CPT, etc.)
- Must have completed, or be willing to enroll in, Psychedelic Assisted Therapy (PaT) training. ATMA offers this training at a significant discount for qualified candidates.
- Must maintain at least \$5,000,000 in professional liability insurance.

BENEFITS

- Attractive fee-sharing model.
- Continue your private counseling practice within our clinic while exploring legally-supported psychedelic-assisted therapy.
- Comprehensive training in psychedelic-assisted therapy that meets all legal standards.
- Full-service clinic environment, including administrative support, internet access, booking and billing services, client management software, printing, and office supplies.
- Ongoing discounts on ATMA training and programs.
- Opportunity to participate as a staff therapist in ATMA's legally-compliant psilocybin clinical trial.

- Access to specialized services such as Ketamine Assisted Therapy, Special Access Program applications, and rTMS services, in accordance with legal and regulatory requirements.

This opportunity is designed for therapists who wish to advance their practice within a supportive, legally compliant environment dedicated to both traditional and psychedelic-assisted mental health care.

TO APPLY
